Lake Eden Cabin Travel

If you are coming to Lake Eden Cabin during non-festival times please follow Lake Eden Road. You will pass Camp Rockmont (do not turn in!) and the next entrance will say "Lake Eden Arts Festival" and "Eden". Turn left onto this paved drive that is between two lakes. The address is 377 Lake Eden Rd. Follow drive and at the fork bear right, come up hill, go straight behind Pickering Home "Mountain Stream" and the drive turns to gravel. You will see your cabin awaiting you just ahead.
